

MNW (Meme Not War)

PMNOFO (Peace Missile No Fear Of)

Whitepaper

Version 2025 - Draft

Introduction

Peace Missile No Fear Of (PMNOFO) and Meme Not War (MNW) are meme tokens and digital protest projects created on TON, BNB Smart Chain (BSC), and Solana. Both tokens aim to bring attention to the absurdity of war and global conflict through humor, memes, and blockchain-powered community engagement.

Mission Statement

Our mission is to convert missiles into memes, spread laughter instead of fear, and build a global community united for peace. PMNOFO/MNW is not a financial investment but a movement for peace, fun, and digital protest.

Play-to-Earn Game and Distribution Policy

PMNOFO and MNW tokens can be earned by playing the Telegram-based Peace Missile Game.

Token distribution through the game will not follow a fixed schedule. The timing of rewards will be announced later, most likely to coincide with the first exchange listing. Details on eligibility, reward amounts, and the distribution process will be shared transparently with the community ahead of time.

This ensures a fair launch and protects early supporters while maximizing community engagement.
